Ginsu Brands

GINSU[®]

HOME

Ginsu Home's colorful Essential & Koden collection of serrated knives never need sharpening, making them perfect for that home chef that wants to add a pop of color to their kitchen but doesn't want to spend time maintaining their knives. Unlike traditional serrated knives, which tend to tear, not slice, Ginsu knives are ground sharp on both sides of the serrated edge, creating a no-maintenance knife with the slicing performance of a fine-edge tool.

GINSU[®]

GOURMET

Chikara by Ginsu Gourmet forged knives are made from 420J Japanese Stainless Steel so they arrive razor sharp and stay sharp longer than other high carbon stainless steel offerings giving the home chef a set of low-maintenance, high-quality knives they can depend on meal after meal that will look great on their counter. The knife is expertly balanced and includes a POM handle to give the chef a firm grip and a smooth slicing action.

GINSU[®]

ELEMENTS

Ginsu Elements makes giving the gift of cutlery even more special. With a variety of color and customized engraving options, Ginsu Elements knives, knife block sets, and cutting board are perfect for commemorating birthdays, anniversaries, or holidays.

AMERICAN[®]

ANGLER

American Angler electric and manual fillet knives are the best a man can bring to his weekend on the lake. We call our electric motor "The PRO" because it is the preferred choice for commercial fisherman and guide services who need a motor and a blade with the power to fillet for hours without burning out. Our German Stainless Steel Delta manual knives are made of German Stainless Steel so they'll stay sharp season after season.

Premier  PremStar

Ginsu Custom

Ginsu Brands laser etches and pad prints custom designs on their cutting boards and wide array of knives and sets. These personalized items create a unique gifting experience for sales incentives, corporate events, and reward programs.

LAGOS

LAGOS

Lagos makes strong jewelry of understated lasting power, that transcends generations and the phases of life. The luminous caviar beading brings texture to sterling silver and 18k gold, transforming these metals into iconic jewelry that is as captivating as it is wearable. It takes hundreds of steps, and a keen eye, to complete a single caviar creation. The process always begins with a hand-drawn sketch by Steven Lagos, whose belief is that every piece of jewelry is as bold as the woman who wears it.

Bronte Moon

Founded in 1837 and with roots in apparel, Bronte by Moon operates from the last remaining vertical woolen mill in Great Britain, with a reputation for consistent quality and innovative design for the last 180 years. Going from undyed fleece to finished product they dye, spin, weave, and create stunning fabrics. Bronte Moon imports and distributes these luxury wool interior and fashion accessories for both men and women.

Alpaca Wool
From the highest plains of the Peruvian Andes, Alpaca wool is a durable luxurious, and silky fibre. It is celebrated for its warmth and hypoallergenic qualities.

Merino Wool
Made from the very finest Merino Lambswool, these ultra soft scarfs, wraps, and throws are vibrant in classic check designs and contemporary colors.

THYMES BRANDS

Nearly 30 years ago, Thymes was founded by two friends with a mutual curiosity and a common desire to make something meaningful and beautiful. Since then, the company has created a wide assortment of beautiful and creative candles and fragrances.

Masters and mavens in the world of fragrance and design for over 20 years.

ASPEN BAY CANDLES®

Each beautiful piece is hand-poured in Mississippi using eco-friendly practices and the highest quality materials.

Arccos and Fizzics

ARCCOS

The Arccos Golf Performance Tracking System records every shot a golfer makes, analyzes the data in real time and reveals strengths and weaknesses to enhance on-course decision-making.

Fizzics uses patent-pending fluid and sound technology to transform your canned or bottled beer into beer that tastes like it's fresh from the tap.

GoSmile & Hampton Sun

Like a spa treatment for your mouth— GO SMILE’s luxury toothpastes and pain-free teeth whitening products offer that “just brushed” feeling after using any product, making every session gratifying. GO SMILE products are clinically proven to whiten smiles 4x faster and 10x brighter than other teeth whitening products.

HAMPTON SUN

Hampton Sun is more than simply products, but rather a state of mind. From the moment you apply their sunscreen, you’ll feel like you’ve been transported to paradise, be it the Hamptons, St. Barts or your own backyard.
